MS. VANDERLINDE: I would like to see us consider 3333 Elmwood Avenue
for landmark designation.

I would also like to have us look at the Ward structures in the Town representing
the Arts and Craft style for designation. We have about 22 but I think there are
more in the Town. I don't believe any of them have been surveyed and what I am
going to pursue is a National Register designation for all of them.

MR. BOEHNER: I will check and see if there is any money available for surveys
on these and I will let you know next month.

MR. CHAIRMAN: Don't forget the Landmark House and Garden Tour next
weekend and also if anyone is interested our second annual Cocktails and
Carburetors is coming up the fourth weekend in September and if you like old
boats Hammondsport New York is the third weekend in July.
