March 9, 2010

Finance Committee
Town of Brighton
2300 Elmwood Avenue
Rochester, New York 14618

Dear Finance Committee Members:

The metal pole barn at Buckland Park was destroyed this past December during a windstorm. We have received an insurance recovery in the amount of \$89,000.00 as a result of this damage. I respectfully request that you authorize the increases in the following budget accounts.

A. REC 7115 2680	Insurance Recovery	\$89,000.00
A. REC 7115 4.41	Maintenance Repair	\$3,500.00
A. REC 7115 2.62	Building Construction	\$85,500.00

This transfer will allow us to demolish and remove the existing structure, as well as construct a smaller replacement storage building during the spring. I will be happy to answer any questions you **may** have regarding this matter.

Sincerely,

Jerry LaVigne
Director of Parks and Recreation

At a Town Board Meeting of the Town of Brighton, Monroe County, New York, held at the Brighton Town Hall, 2300 Elmwood Avenue, in said Town of Brighton on the 24th day of March 2010.

SHEILA A. GADDIS

Councilpersons

WHEREAS, Fisher Associates previously submitted a proposed incentive zoning and re-zoning application for the proposed Winfield Park Project on behalf of Buckingham Properties and Pride Mark Homes, which was received and filed by the Town Board; and

WHEREAS, Fisher Associates has now submitted an amended zoning and re-zoning application for such project, now consisting of approximately 135.3 acres on Brighton Henrietta Townline Road in the Town of Brighton; and

WHEREAS, the Commissioner of Public Works recommends that such amended application be accepted as sufficient for review and referral to the Planning Board, subject to the submission by the applicant of revisions as more fully set forth below; **it is therefore**

RESOLVED, that correspondence dated March 5, 2010 from Tim Gawenus, P.E., Project Manager, Fisher Associates, together with a preliminary engineer's report for Winfield Park, published October 2009 and updated March 2010, prepared by Fisher Associates, be received and filed; and **be it further**

RESOLVED, that the Town Board hereby determines that such incentive zoning and rezoning application is worthy of further consideration and refers that application to the Planning Board for its review and advisory report, provided that the applicant review and revise the section of the application entitled "Tax Impact Summary"

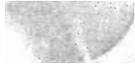

"Single Family Homes" and "Proposed Development^U and further review and revise the section entitled "Summary^U on page 7 thereof; and be **it** further

RESOLVED, that the Town Board hereby declares **itself** to be lead agency for the environmental review of such project under the State Environmental Quality Review Act, and directs the Town's Environmental Liaison to give the necessary notices thereof; and be **it** further

RESOLVED, that the Commissioner of Public Works is hereby directed to send a copy of the amended incentive zoning and rezoning application to the Superintendent of the Rush Henrietta Central School District.

FISHER ASSOCIATES

585-434-1310
585-434-1361

March 5, 2010

Mr. Ramsey A. Boehner
Town of Brighton Planner
2300 Elmwood Avenue
Rochester NY 14618

Proposed Winfield Park
135.3 +/- Acres
Brighton Henrietta Townline Road
Incentive/Rezone Request

Dear Mr. Boehner:

Please accept this revised request for Incentive/rezoning for the above project. We have developed an incentive zoning/rezoning application in accordance with section 209-6 of the Brighton Town code for the Town Boards consideration.

As you recall, after presenting the project to the Town Board of Brighton and making minor revisions, the Board requested that we meet with the Neighbor groups again to discuss the revised Plans. We presented the project to the Neighborhood group on March 3, 2010.

The revisions made are summarized below:

- The addition of approximately 5 acres (Previously owned by the Brighton Swim club)
- Addition of 31 single family homes on 14 +/- acre parcel to the wets of the previous project limits
- Revisions to the easterly driveway connection to remove "pass through" vehicle from the commercial portion of the project to the residential portion.

Background

The "project" consists of approximately 135.34 +/- acres northeast of the BHTL Road and Clinton Ave. The property includes a total of 9 parcels (Parcels: 149.15-1-38,46.1,48,149.19-2-23,24,25,26, and 149.20-1-1) that would be combined into a single parcel for the approval process. These parcels that comprise the project currently include a mix of open fields, small growth trees (the property was farmed as recently as the mid eighties), the site of the former Brighton Swim Club and a small stream that runs from west to east and outlets to Aliens Creek downstream.

The existing properties are zoned Residential - Low Density (RLB), except for approximately 0.87 +/- acres in the southeast corner along BHTL Road, which is zoned Technology and Office Park (TOP). The project is bordered to the north by the New York State Canal (Erie Canal); to the east by the Canal View Technology Park; Brighton Henrietta Town line Road to the south; and Woods Meadow subdivision, vacant land and a couple of residential properties to the west (there is a small tinger that accesses Clinton Street.)

Proposed Zoning
Incentive Zoning

In determining the proposed zoning for the project, the surrounding zoning areas were investigated. Below is summary of the adjacent property zoning:

- The northerly property line borders the Erie Canal.
- The southerly property limit is the BHTL Road and to the south is the Town of Henrietta. The zoning there is primarily industrial.
- To the east of the project is the Canal View Office Park, which is zoned TOP.
- West of the property, the land is zoned RLB.

To be consistent with the zoning to the East, we are proposing TOP zoning be utilized for the commercial buildings on the southeastern portion of the project. Planned Unit Development (PUD) is proposed for the western portion of the land. This zoning allows for residential lots to blend in with the existing residential homes to the west along BHTL and Clinton Ave. Between these two zoning designations, we are proposing Office and Office Park (BE-I). This zoning will accommodate commercial buildings but will not allow tractor trailer delivery vehicles to be utilized.

The Town of Brighton Comprehensive Plan was consulted and the property is noted as area 16. The Comprehensive Plan calls for higher density residential development on the eastern portion of the property and decreasing density as you move west along BHTL Road.

Below is summary of the proposed development by each proposed zoning designation from west to east. We have included a summary of the significant zoning requirements and what we are proposing based on the current concept plan.

At a Town Board Meeting of the Town of Brighton, Monroe county, New York, held at the Brighton Town Hall, 2300 Elmwood Avenue, in said Town of Brighton on the 24th day of March 2010.

PRESENT:

SANDRA L. FRANKEL,

Supervisor

JAMES R. VOGEL
RAYMOND J. TIERNEY III
LOUISE NOVROS
SHEILA A. GADDIS

Councilpersons

WHEREAS, a proposed incentive zoning and re-zoning application was previously submitted for a proposed car wash at 2875 Monroe Avenue, which was received and filed by the Town Board and referred to the Planning Board; and

WHEREAS, such proposal was amended and resubmitted to the Planning Board, which previously issued an advisory report and a supplemental advisory report on such project, and has now prepared a second supplemental advisory report, which recommends that the Town Board request that the New York State Department of Transportation review the traffic report submitted by the applicant and further obtain an independent traffic study, at the developer's expense; it is therefore

RESOLVED, that correspondence dated March 23, 2010 from Ramsey Bohner, Executive Secretary of the Town Planning Board, the second supplemental advisory report of the Planning Board with respect to the proposed car wash incentive zoning and rezoning application for property located at 2875 Monroe Avenue, be received and filed; and be it further

RESOLVED, that the Town Board hereby directs the Commissioner of Public Works to request that the State of New York Department of Transportation review the traffic study previously prepared on behalf of the applicant for the proposed car wash at 2875 Monroe Avenue, focused on the issues raised in the Planning Board's second

supplemental advisory report on such application; and be it further

RESOLVED, that the Town Board hereby authorizes the Commissioner of Public Works to issue a request for proposals for a traffic consultant to review the traffic report prepared by the applicant's engineer in light of the issues addressed in the second supplemental advisory report, which consultant shall be retained by the Town at the applicant's sale expense.
