The Honorable Finance and Administrative Services Committee
Town of Brighton
2300 Elmwood Avenue
Rochester, New York 14618

re: RG&E Street Lighting Proposal
Second Penfield Road Lighting District
Revised Tariff Rates

Dear Councilperson Gaddis and Committee Members:

Per the attached correspondence from RG&E, the tariff governing rates for street lighting was modified to allow for changes in the charges billed as outlined therein. These actions and charges better reflect the actual equipment presently in place in the Second Penfield Road Lighting District, which will result in a savings of \$338.22 per month to the district. Therefore, I recommend that the Finance and Administrative Services Committee approve the Supervisor to execute this document, so that this proposal may take effect upon receipt by RG&E.

As always, thank you for your consideration. I will be in attendance at your regularly scheduled July 21, 2010 meeting in the event that you have any questions regarding this matter.

Sincerely,

Timothy E. Keef, P.E.
Commissioner of Public Works
