

The goal of our “GIVE ME FIVE” campaign is to raise funds for the **Brighton Veterans Memorial**. We need your help to complete the project! Please give \$5, \$50 or whatever you can afford, to show our vets how much we appreciate their service for us and our Country.

The **Brighton Veterans Memorial** is being constructed at Buckland Park. It features a sculpted Eagle with outstretched wings atop large boulders waiting to welcome visitors.

The names of Brighton Veterans and Brighton resident’s family members who are or who have served in our U.S. military, are stored in an electronic roster that is located inside the adjacent Buckland Farmhouse.

Detailed project plans, including a rendering, are available online at www.townofbrighton.org or you may contact Town Councilmember Jim Vogel at 585-784-5257 or jrvogel@rochester.rr.com.
