Significant Provisions of Tree Law

Chapter 175, Town Code, Town of Brighton

- A permit is required of any tree service providers before any work is done on any existing tree in the Right of Way.
- Any business who plants, maintains or removes trees in the Town must be registered, and produce evidence of such registration on demand.
- All applicable OSHA and NYS Labor Department safety requirements must be followed.
- Any debris generated by a business engaged in tree work shall be hauled away by the tree service provider and shall NOT be left for collection by the Town.

I, the applicant, agree to indemnify and hold the Town of Brighton harmless from any and all loss, damage or liability including but not limited to legal fees and expenses incurred by the Town as a result of work performed within the Town of Brighton by the Applicant on or after the date hereof. I have read and understand the town of Brighton Tree Ordinance, and will comply with all regulations. I also understand that failure to adhere to the rules and regulations could result in the suspension or revoking of my registration.
