Applicants Sought for Brighton Planning Board

The Town of Brighton is seeking applicants for membership on its Planning Board. The Planning Board reviews all applications for re-zoning, site plan reviews, conditional use permits, and consideration of requests by developers for the construction of new subdivisions. The Board's reports and recommendations are often of vital importance in deciding upon a re-zoning request, State Environmental Quality Review Act (SEQRA) review, or other action.

Applicants must be Town residents and available for evening meetings the third Wednesday of the month at 7 p.m. The 2022 Planning Board meeting schedule can be viewed on the Town's website. The chosen candidate will complete a vacated term; a full term is seven years. Due to COVID, meetings are currently being held virtually through video conferencing. Those interested in being interviewed for membership should submit a letter of interest and resume by Monday, August 15, 2022 to the Assistant to the Town Supervisor at bridget.monroe@townofbrighton.org.
